Bangalore.

Sir,

With reference to your letter No.2677-8/203 dated the 9th instant, stating that the transfer of V G Nanjundiah, Assistant Master Anglo Vernacular School, Sarjapur, maintained from Village School Fund to the Anglo Vernacular School, Malleswaram, Bangalore, maintained from State Funds, is temporary and was made under your sanction, I have the honour to state that the pay of masters should as a rule be debited to the same source to which the cost of the school in which they are actually working is debited Consequently the pay of V G Nanjundiah has to be debited to the State and not to the Village School Fund as his name is not borne in any of the schools maintained from that Fund But no additions to the scale maintained from State Funds, even temporarily, can be made without the sanction of Government, I request that you will be so good as to obtain their orders in the matter, as well as in the case of the marginally noted master and mistress

I have the honor to be,

SIR

I have the honor to inform you that on account of frequent recurrence of plague in Sarjapur in Anekal Taluk the number of pupils on the roll of the local Anglo-Vernacular School dwindled to such an extent that in 1908 there were only 4 pupils reading English in the school. The local Girls' School was also in a similar predicament. As the number of teachers in the establishment of these schools was then considered to be too many the following teachers were made to work in the Bangalore Schools which required some

+

Some additions to the staff, as a temporary measure -

(1) V S Ramamudaya, Assistant Master Anglo-Vernacular School, Sarjapur to work in the Challeswaram Anglo-Vernacular School -

(2) H. S Venkatadasappa Asst Master, A V School, Sarjapur, to work in the Government Girls' School -

(3) Parvatamma, Head Mistress, Sarjapur Girls' School to work in the Chamarajpet Girls' School

As a demand for these teachers has now been felt at Sarjapur they are under orders to revert - The Comptroller takes objection to these teachers of the Local Fund Schools having been made to work on State Fund Schools during the period - I therefore request that Government be so good as to accord their sanction to the temporary arrangements made owing to the exigencies of the Department.

I have the honor to be,

Sir,
